MEADVILLE, PA. Nov. 6.

The following is the official vote of Crawford County: Grant 7,322, Seymour 5,455; Grant's majority 1,867. J. R. C.

Election News.

ST. LOUIS, Nov. 6

The Republican publishes a table which shows a Democratic majority in seven counties of 1,825, a Democratic gain of 7,547, and in 32 other counties a Republican majority of 13,359, a gain of 5,030, giving a net Democratic gain in 58 counties of 12,577. The Democrat claims a Republican gain of 2,000 in 56 counties.

The returns strongly indicate the election of four Democratic Congressmen, the First, Sixth and Ninth Districts being gains if carried. In the Third District McCormick, Democrat, will be re-elected.

ST. PAUL, Nov. 5.

The split in the Republican party here resulted in the defeat of Donnelly and the election of Wilson, Democrat, for Congress. The State gives 12,000 Republican majority. Negro suffrage is carried by 6,000 majority.

Clearing House.

A clearing house, representing thirty prominent banks of this city, has been established here and will open for business as soon as a suitable room can be obtained.

General News.

NEW YORK, Nov. 6.

The excitement in Wall street to-day bordered on the panic of 1857, and threatens to be equal in scope and disaster. It is creating apprehensions among bankers and brokers and has caused enormous depreciations in stocks. Railway shares were sold by the thousands and Government bonds by the million.

At a meeting of the Union League Club last evening the naturalization frauds at the late election were discussed and a resolution offered by Horace Greeley for the appointment of a committee to take measures to investigate the number and requesting John A. Griswold and his associates to contest the election of Hoffman were adopted. Mr. Griswold was present but on inquiring of him as to his intention he declined.

One of the immense arches of a skating rink constructing in Brooklyn fell this morning, and several workmen were injured—one seriously.

The Republican majority in the Assembly is now stated at 27.

Edward Remack, one of the leading German journalists in this city, died to-day, aged 35.

At a meeting of the American Bible Society last evening eight new auxilliaries were recognized; one in each of the States of Maine, Ohio, Iowa, Tennessee and Alabama, and two in Georgia.

W. W. Kinney, a man said to be worth $25,000, was sentenced by Judge Dowling yesterday to two months in the penitentiary, and to pay a fine of $50, for an unprovoked assault on Judge Aiker in a street car.

Judge Danny yesterday gave notice that he would hereafter hold no official intercourse with Superintendent Kennedy except through the District Attorney, as he had insulted the Judiciary of the city.

A Havana letter states that on the 20th the Captain General received instructions from the Provisional Government to inaugurate in Cuba such reforms as had been adopted in Spain. Lersundi, up to the 31st, had kept the dispatch as secret as possible. Numerous arrests are being made, the prisoners in most cases being supporters of the revolutionists in Spain. It was stated that Lersundi contemplates leaving the Island for New York.

Panama letters state that that place is still under martial law and the sentries about the street have orders to challenge all passengers and fire upon them if they did not answer satisfactorily. The local and national authorities in the State of Cundinamarca are at loggerheads with one another, and the State is in an anarchial condition in consequence.

A Hon Kong letter of Sept. 16th states two women and 17 children were burned to death in a large fire there in August. An American seaman was on trial for killing a Chinese tradesman while the latter was selling liquor to his men.

A Madrid special says the Spanish army is to be reorganized and a National Guard formed in all provinces. The Provincial Junta or Convention there dissolved themselves on their own accord and in nearly all the great cities they have been replaced by elected by universal suffrage. These counsels have immediately proceeded to reorganize the government of cities and villages.

The Protestants of Madrid have demanded and obtained permission to build a church in Madrid.

General Dulce has refused to accept the title of Duke, given to him by the Provisional Government.

In the case of Beverly Clark, who was indicted in Michigan for frauds in the Post Office Department and held by Commissioner Ashburn for trial there, and in the proceedings before Commissioner Cann for reviewal before Judge Benedict, the latter has refused to discharge Clark, and says if there is any flaw in the indictment found in the Michigan Court in which the indictment was found, it is a proper one in which defendant should take issue against its sufficiency.

Military Prisoners.

WASHINGTON, Nov. 6.

The following order from the War Department has been published:

Soldiers may, for certain offences not strictly military, be sentenced by a general court to court martial confinement in a penitentiary. If any State in a military department has made provisions by law for the confinement of prisoners under sentence by court martial of the United States, the Department Commander may designate such penitentiary for the execution of any such sentence to a penitentiary confinement, but if no provision has been made by any State in the department the record will be forwarded to the Secretary of War for the designation of a prison. The authority which has designated the place of confinement, or higher authority, can change the place of confinement, or mitigate or remit the sentence. The same rules apply to prisoners sentenced by military commissions so long as the law under which military is in force, but when that law ceases to be operative, the President alone can change the place of confinement, or mitigate or remit the sentence.

General Grant.

Gen Grant having been informed of preparations being made in this city to tender him a popular reception on his return, he has written to a friend in Washington expressing cordial thanks for the evidence of friendship on the part of citizens, and at the same time expressing the wish that no demonstration be made on his arrival. The General could not say at what time he would reach Washington. It is probable the public reception, which it is designed to tender the General, will be deferred until he has recovered from the fatigue and discomfort incident to travel and become comfortably located at home.

Treaty.

The President has proclaimed a treaty between the United States and the King of Italy for the surrender to each of the contracting parties persons who shall have been convicted of or charged with crimes of other than a political character.

Secretary Seward has returned to Washington

End of the Surratt Case.

In the Supreme Court of the District of Columbia to-day the case of J. H. Surratt was called up. The motion was to dismiss the appeal of the District Attorney from the decision of Judge Wylie in the Criminal Court sustaining the plea of the statement of limitation, and discharging him from the court. Judges Carter, Olin and Wylie dismissed the appeal on the ground that there was no precedent for sustaining an appeal in a case where judgement had been rendered in a criminal court in favor of defendant. This is the end of the Surratt case.

Prize Fight Between O'Baldwin and Wormald.

POUGHKEEPSIE, Nov. 6.

A doubtful report has received here states that Wormald and Baldwin fought a battle early on the morning of election day in Putnam county. There are but few people present. Soon after the fight commenced Wormald hit O'Baldwin a terrible blow, cutting his face open from his chin to his ear, when O'Baldwin rallied and soon afterwards a heavy and well directed blow won the fight. The parties then left the field, procured arriages, intercepted the night express train on the Hudson River Railroad at either Garrison or Fishkill where they took passage in a dining room car for New York. After the fight was over one of the backers of O'Baldwin got into an altercation and was dealt a terrible blow on the face by Joe Coburn. The greatest vigilance was exercised by the fighters to ward off any suspicion of the fight and they succeeded well.

MONEY AND STOCK MARKET.

[BY TELEGRAPH.]

NEW YORK, Nov 6

The excitement in Wall street to-day was intense and without precedent in the history of stock exchange. The panic this morning was about as severe as ever known, and in the afternoon the buoyancy was greater than at any time since the speculation furor for a rise about two weeks ago. The money market opened very sanguine at 6 7 per cent call with ½ per cent commission, but closed easier at 7 per cent currency, occasioned by reports that the "bear" clique had covered their shorts and were letting out money, and that the banks were lending more freely, which seems to be authentic.

GOLD—Opened at $1.31½, closed $1 33@½.

GOVERNMENTS—Were dull this morning, prices declined ½@1½ per cent, and at noon the call was with with a better feeling with recovery of ½@¾ per cent and late in the afternoon there was a further advance of ½@¾ per cent. Market closed active and firm.

LIVER, STOMACH OR DIGESTIVE ORGANS.

HOOFLAND'S GERMAN BITTERS

Is composed of the pure juices (or, as they are medically termed, *Extracts*) of Roots, Herbs and Barks, making a preparation, highly concentrated and entirely *free from alcoholic admixture of any kind.*

Hoofland's German Tonic,

Is a combination of all the ingredients of the Bitters, with the purest quality of *Santa Cruz Rum Orange, &c.*, making one of the most pleasant and agreeable remedies ever offered to the public.

Those preferring a Medicine free from Alcoholic admixture, will use

Hoofland's German Bitters.

Those who have no objection to the combination of the Bitters, as stated, will use

Hoofland's German Tonic.

They are both equally good, and contain the same medicinal virtues, the choice between the two being a mere matter of taste, the tonic being the most palatable.

The stomach, from a variety of causes, such as Dyspepsia, Nervous Debility, Indigestion, etc., is very apt to have its functions deranged The Liver, sympathizing as it does closely with the Stomach, becomes affected, the result of which is that the patient suffers from several or more of the following diseases:

CONSTIPATION, FLATULENCE, INWARD PILES, FULNESS OF BLOOD TO THE HEAD, ACIDITY OF THE STOMACH, NAUSEA, HEARTBURN, DISGUST FOR FOOD, FULNESS OR WEIGHT IN THE STOMACH, SOUR ERUCTATIONS, SINKING OR FLUTTERING AT THE PIT OF THE STOMACH, SWIMMING OF THE HEAD, HURRIED OR DIFFICULT BREATHING, FLUTTERING AT THE HEART, CHOKING OR SUFFOCATING SENSATIONS WHEN IN A LYING POSTURE, DIMNESS OF VISION, DOTS OR WEBS BEFORE THE SIGHT, DULL PAIN IN THE HEAD, DEFICIENCY OF PERSPIRATION, YELLOWNESS OF THE SKIN AND EYES, PAIN IN THE SIDE, BACK, CHEST, LIMBS, SUDDEN FLUSHES OF HEAT, BURNING IN THE FLESH CONSTANT IMAGINGS OF EVIL AND GREAT DEPRESSION OF SPIRITS

The suffer from these diseases should exercise the greatest caution in the selection of a remedy for his case, per that which he is investigating from a possesses true fully compound injurious ingredients, and has established for itself a reputation for the cure of these diseases In this connection we would submit those well-known remedies—

Hoofland's German Bitters,

AND

Hoofland's German Tonic.

PREPARED BY Dr. C. M. JACKSON,

PHILADELPHIA, PA

Twenty-two years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity in a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Chronic or Nervous Debility, Chronic Diarrhœa, Diseases of the Kidneys, and all Diseases arising from a Disordered Liver, Stomach or Intestines

DEBILITY.

RESULTING FROM ANY CAUSE WHATEVER; PROSTRATION OF THE SYSTEM, INDUCED BY SEVERE LABOR, HARD SHIPS, EXPOSURE, FEVERS, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being

PERSONS ADVANCED IN LIFE,

And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this BITTERS, or the TONIC, an elixir that will instil new life into their veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE.

It is a well-established fact that fully one half of the female population are self-imagined invalids; or, to use a phrase, "they have not good health, do all of a nervous, and have no appetite

To this class of persons the BITTERS, or the TONIC, is especially recommended

WEAK AND DELICATE CHILDREN

Are made strong by the use of either of these remedies They will cure every case of MALASMUS, without fail.

Thousands of certificates have accumulated in the hands of the proprietor, but space will allow of the publication of but a few. Those, it will be observed, are men of note and of such standing that they must be believed.

TESTIMONIALS.

HON. GEO. W. WOODWARD,

Chief Justice of the Supreme Court of Pa., writes

PHILADELPHIA, March 18, 1867.

"I find Hoofland's German Bitters is a good remedy in cases of debility, and of great nervous action in the system.

Yours, truly, GEO. W. WOODWARD."

HON. JAMES THOMPSON,

Judge of the Supreme Court of Pa. Philadelphia

PHILADELPHIA, April 8, 1866.

"I consider Hoofland's German Bitters a valuable medicine in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect, JAMES THOMPSON."

FROM REV. JOSEPH H. KENNARD, D. D.

Pastor of the Tenth Baptist Church, Philadelphia

DR. JACKSON—*Dear Sir*: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my proper sphere I have declined, but in the present instance, and particularly in behalf of the useful class of the community, of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, *for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation.* In some cases it may fail, but usually, I think it will be very beneficial to those who suffer from the above causes

Yours, very respectfully, J. H. KENNARD,

Eighth below Coates Street

FROM REV. E. D. FENDALL,

Assistant Editor of Christian Chronicle, Philadelphia.

I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommend them as a most valuable tonic, to all who are suffering from general debility or from diseases arising from derangement of the liver.

Yours, truly, E. D. FENDALL.

Just gentle enough to be sweet,
Just wary enough to be witty,
Just dainty enough to be neat.

Just tall enough to be graceful,
Just silent enough for a fly,
Just dress enough to be tasteful,
Just merry enough to be gay.

Just tears enough to be tender,
Just sight enough to be sad,
Times foll enough to remember,

Just meek enough for submission,
Just bold enough to be brave,
Just pride enough for ambition,
Just thoughtful enough to be grave

A tongue that can talk without harming,
Just mischief enough to tease,
Manners pleasant enough to be charming,
That put you at once at your ease.

Disdain to put down presumption,
Sarcasm to answer a fool,
Contempt enough shown to assumption,
Proper dignity always the rule

Flights of fair fancy ethereal,
Devotion to science full paid,
Stuff of the sort of material,

The American Cooking Stove.

ANOTHER PATENT SUIT.—We understand Messrs. Shear, Packard & Co., have been compelled to commence suit against Hunt & Miller, of Hudson, for infringing the patent on the Ash Sifter in the American Cooking Stove. This is the fifth suit they have been compelled to bring against different parties for infringing the different patents on this Stove. The four previous suits have resulted favorably for S. P. & Co., and they are determined to follow up all cases of infringement until others cease from appropriating their improvements.—*Albany Evening Journal, July 20th, 1868.*

All persons are cautioned against selling or using Stoves with a Shaking Ash Sifter in the hearth, or under the grate, as this improvement is fully secured to us by five different Patents, and all persons selling or using Stoves with this improvement, will be liable to prosecution for infringement, as we have granted no licenses to other parties to make or sell this improvement, and all infringements will be promptly prosecuted.
